Minutes:

The meeting was called to order at 7:00 pm. Representatives from the Library proposed double columns inspired by the Elkins Library architecture. Eric responded that this would require increasing the size of the gable end.

Another proposal was to remove the connector between the two buildings. It was decided to remove the sink in the Director's office.

Discussion turned to the Municipal Complex. Kent made a motion regarding the driveway that it should be a 50 foot cut narrowing down to 24 feet. Seconded by Charlie. So voted.

Gordon offered a motion in favor of proceeding with the concrete work in advance of Canterbury Fund approval for the flag pole grant. Seconded by Ted. So voted.

The meeting was adjourned at 8:30 pm.
